İkidenizarası

İkidenizarası is located in a small town in Urla. İkidenizarası which translates to between two seas has two main goals. One is to make quality wine and share it with people who understand the blessings of the world. The other is to make Yağcılar known for its winery. Come and have wine in a geographically blessed region.

Mozaik Winery

Mozaik Winery has nine varieties of red grapes. The wines of Mozaik, which produces its wines with great care and love, are award-winning. Mozaik Winery also has a project under the leadership of an Italian agronomist. Take a voyage into the world of wine! Winery is located in Kuşçular, Urla.

Urla Winery

Founded in the early 2000s, Urla Winery uses a blend of traditional and modern approaches in its own vineyards. They aim to revive the disappearing wine culture of the region and pass it on to future generations. Annually they produce 250-300 thousand bottles. Enjoy both the taste of the wine and embark on a journey about the culture of the region.

USCA Winery

Established in 2003 in Urla Kocadağ, USCA takes its name from the 'us' philosophy of the philosopher Anaxagoras. They grow foreign grape varieties such as Cabernet Sauvignon, Merlot, Chardonnay and Syrah. Annually, they produce 30,000 liters of wine. They use cold fermentation techniques. It is a must to try these types of wines and enjoy carefully produced products in USCA Winery.
